DETAILED ACTION

This office action is in response to the amendment and new declaration filed on 12/04/2007.

1. The reissue oath/declaration filed with this application is

defective because it fails to contain the statement required

under 37 CFR 1.175(a)(1) as to applicant's belief that the

original patent is wholly or partly inoperative or invalid. See

37 CFR 1.175(a)(1) and see MPEP § 1414. Applicant needs to check the

appropriate box regarding the specific statement of error being described (i.e., defective

specification..., patentee claiming more or less..., other errors). Also, notice that the declaration

only refers to certain amendments and does not include the 12/04/2007 amendment to the

specification.

2. The reissue oath/declaration filed with this application is defective because the error

which is relied upon to support the reissue application is not an error upon which a reissue can be

based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

3. Claims 1-7, 9-29, 71, 75-95, 97, 99-102, 104-106 and 108-120 are rejected as being based

upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this

Office action.
